

# BIRD TEMPLATE

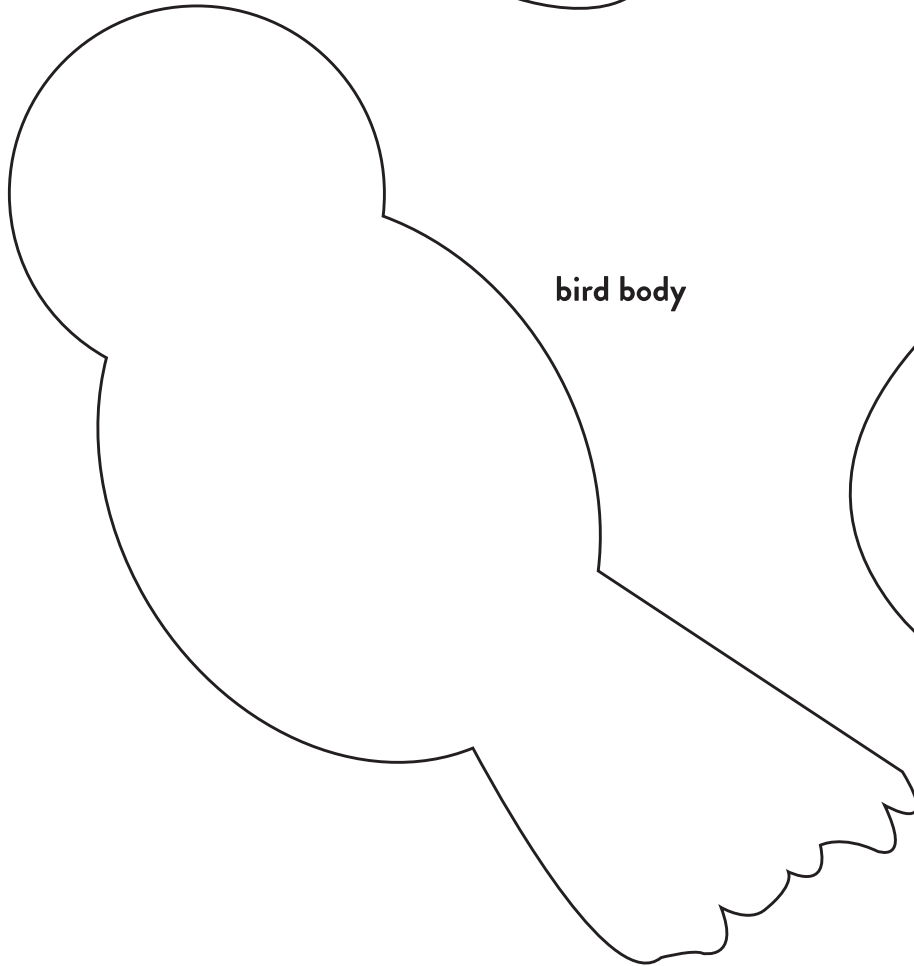

Print and cut out each template below. Choose which colors of construction paper you'd like to use to create your bird. Use a pencil to trace around each of the templates onto the paper. Use scissors to cut out each piece. Glue the pieces together to assemble your bird and then attach it on top of the nest.

**LOOK AT THE BIRDS OF THE AIR:  
THEY NEITHER SOW NOR REAP  
NOR GATHER INTO BARNES, AND  
YET YOUR HEAVENLY FATHER  
FEEDS THEM. ARE YOU NOT OF  
MORE VALUE THAN THEY?**
