Instructions:

1. After the children's sermon on Sunday morning, read chapter 2 in *The Story for Children*
2. Go to COVKids.net and watch instruction video for lesson 2
3. Make some of Abraham's children:
 - Carefully fold paper accordion-style along dotted lines, so the person outline is on top
 - Keeping the paper folded and holding tightly, carefully cut through all layers around the solid outline (Take care not to cut through tips of hands and feet!)
 - Unfold to see 8 kids! Color or decorate each one as you would like
4. Complete any activity pages

Sometimes it's hard to trust people. People don't always keep their promises, but God always keeps his promises. Remember to give your parent(s) a gold star on the card provided after they help you!
